PROBABLE CAUSE AFFIDAVIT

IN THE NAME AND BY AUTHORITY OF THE STATE OF TEXAS:

BEFORE ME, the undersigned authority, on this day personally appeared the undersigned affiant, who after being duly sworn on oath deposes and says:

My name is OFFICER CASTRO 461, a peace officer of the State of Texas, and I have good reason to believe and do believe that on or about the 15 DECEMBER 2022, in Denton County, Texas, Depp, Nadine Mechelle, Defendant, did then and there, commit the offense of Assault CBI FV, a Misdemeanor.

My belief is based upon the following facts and information:

Affiant is a peace officer licensed by the State of Texas and is employed as a Police Officer with the Elm Ridge Police Department

On December 15, 2022 at approximately 8:50PM, I Officer Castro and Officer Leos got dispatched to 1924 Cinnamon Trail, Denton County Tx, 76227, in the Arrowbrooke subdivision in reference to a deadly conduct.

Upon arrival I made contact with N H, B/F, 12/06/, upstairs in the bedroom. Nh stated she had just gotten dropped off at her house by Leos after another call for service where N was reported as a runaway, but was later located and transported back to her residence. When N walked into the house she observed a missing persons packet on the kitchen table. N stated that she sat on the couch and argued back and forth with her mother Nadine Depp, B/F, 12/10/

N stated that she sat on the couch and argued back and forth with her mother Nadine Depp, B/F, 12/10/ . N said Nadine told her to go to her room and Nadine started to put her hands on N. N said Nadine put her finger nail in her neck telling her to stand up and go to her room. N did not stand up and go to her room which made Nadine angry. Nadine then got her Iphone with a case attached to it that had a chain link connected from the bottom so you can wear it like a purse. Nadine swung the phone by the chain hitting, N on the right side of her head. The phone fell out of the case and onto the ground. N said Nadine did not know her phone fell out, so N grabbed it and hid it in her pocket. N stated Nadine then went to her room and grabbed a silver in color small hand gun. Nadine then tapped the gun on the wall stating "You will not sleep in your bed tonight." Nadine stated she feared for her life. N went upstairs and locked herself in the bathroom where she called the police. I checked N head and I did observe a small bump on the right side of her head. I asked N if she needed medical attention but she refused. I then photographed N's injury and the phone case. I also observed on the phone case the chain link to be freshly broken at the clasp.

Contact was made with Nadine. Nadine's story corroborated N's. Though Nadine stated she did not hit N nor did she grab her gun. When I asked questions about the incident Nadine was not very cooperative and not answering questions. Nadine did say she had a cut on her right thigh tbut would not say how she got the scratch

After further investigation it was determined that Nadine had intentionally, knowingly, or recklessly caused bodily injury to N. Nadine was then placed in handcuffs (double locked and checked for fit.) N was advised she was under arrest for the assault family violence causing bodily injury. Nadine was placed in the back right seat of marked patrol unit #2101 and seat belted in. Nadine was later transported to Denton County Jail.

AND I CHARGE THAT on or about the 15 DECEMBER 2022, and

before the making and filing of this complaint, in the County of Denton, State of Texas,

Depp, Nadine Mechelle, Defendant,

did commit the offense of Assault CBI FV

AGAINST THE PEACE AND DIGNITY OF THE STATE OF TEXAS.
